Description: Brian Carruthers has built one of the largest, most profitable downline teams in all of network marketing in the last decade. His success system helped his team grow to more than 350,000 distributors, including countless stories of lives being changed for the better by the incomes generated. Beyond the surface success of gaining wealth and living the...

Review: I've read many books on the attitude it takes to be successful in network marketing and this is the first one that hits me where it counts! Excellent illustrations on technique and role play as well as admonishments for those of us that slack off at times. Hope you're not thin skinned! Roll with it and learn something! Application is the key & I'm beginning...
